Thurrock Thames Gateway Development Corporation first hired Ab Fab to cater for the Next Top Boss<sup>®</sup> Awards Ceremony catering for guests in excess of 200 people. Next Top Boss was a very prestigious event. Amongst the guests were members of Parliament, Heads of Governmental departments, Chief Executives from many top companies and representatives from the Local Authority as well as our Chair and Executive, it was crucial that we had top quality service and food.

I am pleased to say that Ab Fab certainly met our expectations. The service was first class, punctual and professional throughout. The presentation and quality of the food was to a very high standard.

Since this event I have regularly used Ab Fab for all our Committee and Board meetings etc and can honestly say that I have no complaints whatsoever. I have members who suffer with dietary problems and my orders are quite specific. Ab Fab meets all the criteria that are required.

I wouldn't hesitate to recommend Ab Fab whether it is for a small luncheon or a major event. They are excellent caterers and very reliable.

Yours faithfully,
